## Overview

Mertyx delivers trauma-informed, evidence-aligned mental health and educational support services designed to improve student well-being, strengthen family functioning, and expand access to behavioral health care. We stand apart through a unique blend of clinical expertise, educational insight, and scalable program design. Founder Mercedes Paul brings 10+ years of experience as a schoolteacher, instructional leader, and counselor, with a career grounded in trauma-informed classrooms and youth development.

## Core Competencies

Our core services include:

- Licensed Professional Counseling
- School-Based Behavioral Health Support
- Life-Skills Development & Coaching
- Curriculum Development & Program Implementation
- Consulting & Strategic Support
